International Education Programs at Kobe University 2016/2017

Social Sciences

Global Master's Programs

| Relevant faculty/ graduate school | Level | Degree-awarded/ non-degree |
|---|------------------|----------------------------|
| Law, Economics, Business Administration | Master's program | Full-degree program |
| Duration | | |
| Two years / Academic terms: April - August, October - February (Law: One year possible) (Economics: From 2016 this program will follow the quarter system as follows: Quarter 1 = April - June, 2 = June - August, 3 = October - December, 4 = December - February) | | |
| Description | | |
| The aim of this course is to help students acquire expert knowledge as well as practical English competence, equipping students for roles in an international business and legal environment. All GMAPs visiting lecturers are carefully selected from among top academics and practitioners across the world and the students are able to take full opportunity of an excellent education. Furthermore, GMAPs provide overseas internship opportunities nurturing the students to stand in the international arena with their specialties. | | |

Social Sciences

International Master's Program in Economics

| Relevant faculty/ graduate school | Level | Degree-awarded/ non-degree |
|---|------------------|----------------------------|
| Economics | Master's program | Full-degree program |
| Duration | | |
| Two years / From 2016 this program will follow the quarter system as follows: Quarter 1 = April - June, 2 = June - August, 3 = October - December, 4 = December - February | | |
| Description | | |
| This course enables international students to obtain degrees by taking subjects taught entirely in English. Students in this program will be able to deepen their knowledge and experiences in an international and interdisciplinary environment, as well as to complete their master degree in economics through rigorous disciplinary training. This program starts in October 2013. For more information: http://www.econ.kobe-u.ac.jp/en/program/master.html | | |

Social Sciences

Strategic Entrepreneurship and Sustainability Alliance Management Initiatives [SESAMI Program]

| Relevant faculty/ graduate school | Level | Degree-awarded/ non-degree |
|---|--------------------------------|----------------------------|
| Business Administration | Master's program / PhD program | Full-degree program |
| Duration | | |
| Two years for Master's, Three years for PhD/ Academic terms: April - August, October - February | | |
| Description | | |
| SESAMI Program is academically oriented, and it will advance the frontiers of knowledge and practice in the fields of strategic entrepreneurship and sustainability alliance management founding on a thorough understanding of a wide range of management disciplines. | | |

Social Sciences

Special Course for Development Policy

| Relevant faculty/ graduate school | Level | Degree-awarded/ non-degree |
|---|--------------------------------------|----------------------------|
| International Cooperation Studies | Combined Master's - Doctoral program | Full-degree program |
| Duration | | |
| Two years for Master's, Three years for PhD | | |
| Description | | |
| The Program in English seeks to meet the needs of both the international community and Japan. It takes an interdisciplinary approach, emphasizing not only the study of basic areas such as economic development, political development, international law and international relations, but also the ways these disciplines intersect and relate to one another. It is hoped that graduates of the program will become experts in their fields, and will contribute toward the development of their countries and international society. For more details: http://www.gsics.kobe-u.ac.jp/en/enEN.html#doctor | | |

Science and Technology

Kobe Summer School

| Relevant faculty/ graduate school | Level | Degree-awarded/ non-degree |
|--|---------------|----------------------------|
| Science, Agricultural Science, Engineering, System Informatics, Maritime Sciences | Summer school | Short-term program |
| Duration | | |
| A week in July | | |
| Description | | |
| A week-long program to overview the research in S&T faculties and graduate schools at Kobe University. | | |

Medicine and Health Sciences

International Course for Medical Research

| Relevant faculty/ graduate school | Level | Degree-awarded/ non-degree |
|--|------------------|----------------------------|
| Medicine | Doctoral program | Full-degree program |
| Duration | | |
| Three years / Academic terms: April - February, October - August | | |
| Description | | |
| This course aims to foster talented persons who take leadership positions in medical research. The system enables students to join the course for studying both clinical and basic research. Students can also take across cutting lab rotation and core lectures offered in English. Students select two areas of specialization, one from basic areas and another from clinical areas, both of which are relevant to the disease. The curriculum enables systematic study of a broad spectrum of specialized knowledge ranging from investigation of basic clinical conditions to development of clinical strategies. We continue to contact alumni who return to their countries, trying to enforce a network for human resource development. | | |

Medicine and Health Sciences

ICHS Course [International Course Health Sciences]

| Relevant faculty/ graduate school | Level | Degree-awarded/ non-degree |
|---|-------------------------------------|----------------------------|
| Health Sciences | Master's program / Doctoral program | Full-degree program |
| Duration | | |
| Two years for Master's, Three years for Doctorate / Academic terms: April - February, October - August | | |
| Description | | |
| This program aims to enable students to acquire the communication skills and cross-cultural understanding required to develop healthcare activities. Through the creation and practice of comprehensive health sciences suited to overseas socio-economic situations and lifestyles, we aim to train advanced practical specialists in the health sciences capable of making contributions primarily at international institutions. | | |

for Undergraduates

Courses offered in English for 2016/2017

About the quarter system: From 2016 Kobe University will adopt the quarter system. The academic year will be divided into 4 terms, known as "quarters". Some programs will continue to follow the semester system, and procedures for registration, tuition fees and credits will also continue to operate according to the semester system.
